

Friends of God,

It has been a rainy week, but a much needed relief from the drought we always seem to experience. After all, it is Florida, and the weather can change on a dime.

I trust that on Memorial Day, you remembered those who gave their lives to keep this country free. Jesus died for your salvation, the American soldier died for your country's freedom. Let us always remember those who laid down their lives for our freedom as American citizens.

The youth left for Warren Willis on Sunday and are re-roofing cabins at the Youth Camp as a part of their yearly mission trip. Thank you for your support in helping to make a difference in the lives of both our youths and the future campers at Warren Willis who will benefit from their work at the camp. We are blessed to have dedicated leaders and youth who serve the Kingdom of God as a church family. We are especially blessed with Scott and Marie Witte who are dedicated to loving God and the youth at CRUMC. Thank you to all who have made this youth mission trip possible. When you give to God's Kingdom, this is how you make an eternal difference in people's lives.

Your act of giving through last week's offering was very helpful in moving forward. God uses your faithfulness to make a difference. I saw your generosity at work through the Meals on Wheels ministry this past week. I saw your generosity in the smile of a child in our Pre-school ministry. I saw it in the eyes of a young woman who will have her child baptized in July, and I saw it in the eyes of a young couple who will be married this weekend in the Sanctuary. You make this happen when you are generous. Please continue to be an instrument of God's work now and in the future.

We hired a consultant to begin the feasibility study for the RV Park this week. We are able to conduct this study because a couple in the church has been generous in their giving. We will keep you posted as we move forward with this study. Please keep this process and study in your prayers so we might be guided by the Holy Spirit.

Ronnie Wilcox went home to be with the Lord this past Sunday morning around 3:30 a.m. Ronnie and his wife Jackie were long-time members of the church and in the choir. Jackie passed away four years ago, and Ronnie has been in a nursing home for the past

three years. Keep the family in prayer and sometime at the end of June, we will have a celebration service for Ronnie.

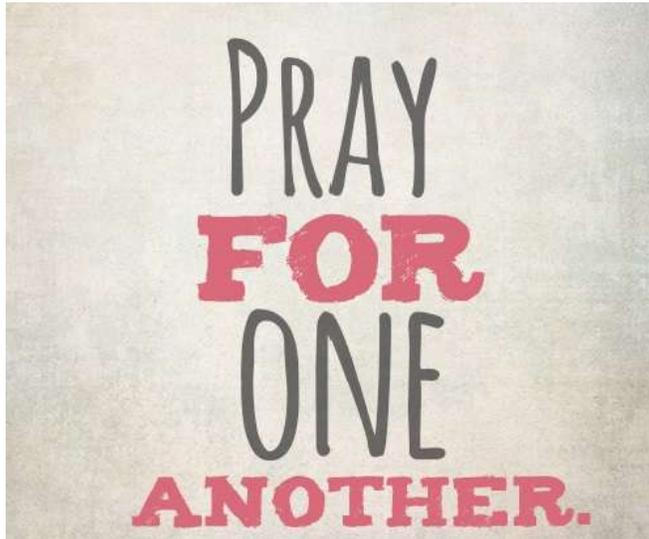

Melody Hinson will be undergoing a very serious surgery next Monday morning. Please lift up Melody, and her children Elizabeth and Garret. In addition, please keep in prayer her mother and father, Margaret and Gary Williams. We are expecting healing results, but remember, nothing begins to happen until we begin to pray. So please keep this in your prayers all day, especially next Monday. You can make a difference.

We will continue in our sermon series this weekend, "The Upside Down Stories of Jesus." This week we will look at three lost items: the lost sheep, the lost coin, the lost son. Come as we discover the heart of God and see how He cares for all, even the one who is lost the most. Invite yourself and a friend and join me for worship. Your presence is a gift to God, but just as importantly, it is a gift to your neighbor. So, let us not forget to worship together as a community and make this a great summer together as a church.

Office hours for the summer will be Monday through Thursday from 9:00 am until 12:00 noon. Friday the office will be closed. So, if you need to visit the office keep these hours in mind. Working to reduce expenses for the summer as good stewards.

Blessings,

Pastor David

Remember to stop by and sign the prayer cards on Sunday morning. Then if you would, take the time to write a personal note of encouragement to these persons as well. The Care Notes are available at the table on Sundays. Thanks for serving and caring together as the CRUMC family of faith.

Calling all men of the church!!

The choir needs men singers all the time but especially for a Father's Day Men's Special on June 17, 9:00 service. We're singing an old gospel hymn and will only take a few rehearsals to get ready. Rehearsals are May 31, June 7, June 14 at 6:45 but why not just come at 6:00 for regular choir also??? Whether you have had lots or little music training, your voice is your instrument for praise and you are welcome here. Thanks and hope to see you any Thursday evening at 6:00 in choir room.

Blessings,
Margaret and Pattie

Hello, Church Family,

This week's accomplishment was getting the trees trimmed so the new sign really shows up well. Yeah. Tarzan Lumberjack (727-858-7131) and his team dropped the limbs and Dick and Janet Yant, our Ricky and Chris loaded, hauled and cleaned up the mess. Pattie came prepared to cut and haul but supervised instead, staying out of the way of the folks with bigger saws! All said and done, we dodged the rain showers and had good fellowship as we safely accomplished the task of making our new sign more visible and cleaning up the parking area of low-hanging limbs.

It has been brought to my attention that some of our church family does not know or remember who is on the leadership team at the store so, beginning next week, I will be introducing and thanking these hard-working folks as well as the volunteers who are not part of leadership but who serve every week to keep the store functioning.

You can find out their past and current interests and why they are choosing to give so much time and hard work to making the thrift store work. You can also drop by the store Wednesdays through Saturdays to speak with them and shop. And most Mondays are processing days from 9-4. We'd love for you to see that process also. Just let us know ahead of time to make sure of our backroom hours that week. Divinely Unique is your store. We depend on your donations, purchases, prayers, communication about it at any opportunity to others, and your suggestions to us in how to always be in the mindset of being better and being used of God in more and varied ways.

Blessings to all,

Pattie Williams and the servant-leaders of your thrift store
