

Kindergarten Questionnaire/Needs Assessment

Dear Parents/Guardian,

Crystal River United Methodist Church has launched a Steering Committee to look into extending our educational services beyond what is offered through Bright Beginnings Preschool. We are seeking your input and appreciate your help in determining whether there is a need for this program in our community

Please take a few minutes and complete this brief questionnaire, your comments will be confidential. Thank you for your time and input.

Do you feel that a private Kindergarten program is needed for our community?

Yes _____ No _____ Possibly _____

If yes, would you be interested in having your child attend a privately operated faith-based Kindergarten program?

Why or why not?

We are also exploring the prospects of offering before and after school care for those students enrolled in our program(s) for an additional fee. Would this be an important part in your decision making process?

Yes _____ No _____ Possibly _____

Please explain:

Our staff will be certified teacher(s) and will have the expectations to follow the Florida State Standards as in the public schools. However, there will be flexibility as far as testing and evaluations of each child as mandated in the public sector.

Will this also play a part in your decision?
