Read Psalm 91:2, 91-16

Because you've made the Lord my refuge, the most high, your place of residence---no evil will happen to you; no disease will come close to your tent.

This goes straight to my heart, I have resided here in this home (tent) for 46 years now in the center of Florida, a state that gets hurricanes and no name storms all the time. I can't count how many times storms have raged around me, but have never, never impacted me in any way. So, to take this passage literally, the Lord has protected me without end for my entire life, but particularly for the past 46 years. I can not emphasize how that makes me feel, knowing the Lord has always been here for me. Just this week we had a furious storm with tornado warnings, but I went to bed secure in the knowledge that I had no worries. The next morning, I looked outside and my yard was pristine because it had been cleaned, but no damage at all, yes I am blessed.

Do I have a good relationship with the Lord, most definitely, and I hope that everyone can experience this type of relationship. Every line of the rest of this psalm is dear to my heart as He strengthens me and protects me. Verse 16 says so much to me: "I'll fill you full with old age, I'll show you my salvation," Wow!!

Father God, thank you for my blessings and your continued protection, please wrap your arms around everyone to bless and protect them.
