Read Luke 4:1-13

Luke 4:12 Jesus answered, "It is said: 'Do not put the Lord your God to the test. When the devil had finished all this tempting, he left him until an opportune time.'"

Have you ever been tempted to do something you knew was wrong? Of course you have. We all are tempted every day. Jesus was tempted too, just like us.

When Jesus was tempted by the Devil, he went to the scriptures for help. Isn't that why we attend Church, study our bible, and pray to God for help and advice? When I look at all of the sadness in our world today, I wonder how people can survive without God in their lives. I know I couldn't.

I believe that God wants us to live our lives so that others will see God in us. I think we have a big responsibility to always, every day, behave so that others will see Christ in us.

Prayer: Dear Heavenly Father, I am so thankful that sometime, long ago, someone led me to you. Help us as Christians to live our lives so that others will see you in us. Amen.
