

Sermon Title: Thanksgiving Anyway

2 Corinthians 11:24-30; 2 Corinthians 12:7-10 (NIV)

Take aways:

1. As a **community** we have gone through much in the recent months.
2. Yet, soon **Thanksgiving** will be here. Some of you may be wondering how to be **thankful** after so much chaos.
3. Paul shares much of what he went through and he not only **accepted** whatever came but **celebrated** it.
4. Though the troubles you have been or are currently experiencing may have nothing to do with **evangelism**, the same Jesus who **sustained** Paul **sustains** us through every **difficulty** that we face.
5. Never forget that **Jesus is always near**.
6. He loves you enough to have **died for you**, He **answers prayer** and wants the best for you.
7. Never give up **praying** and **remain faithful** no matter what.
