

Dear Friends,

We had a great Easter worship weekend. We were able to renew old friendships and meet new people. I trust, if you were in attendance, that you had a great weekend experience. Thank you for making Crystal River your faith community, and I hope you will be able to worship with us again very soon.

This weekend you will be blessed with the Rev. Gene Strange preaching. I know you will be blessed as he brings you a word on why the resurrection makes all things possible with God. Gene is a retired pastor from the Kentucky Conference and served as a District Superintendent. I count him as a friend and a mentor. Let us make sure this weekend attendance does not follow the pattern as being a low-attended weekend for worship. Please come out and support Gene as he brings you a good word that will make a difference in your life. Thank you, Gene, for sharing God's word this weekend.

We will begin a new five-week sermon series next weekend entitled, "How Do You See Yourself?" Do you see yourself as a masterpiece created in the image of God, or do you see yourself as a mess? Do you see yourself as a person who struggles or are you a survivor? Do you see yourself as an Advocate for others and for God, or are you a critic of others and God? These are important questions, because getting a perspective on how God sees you might give you a new view of yourself. Join me as we discover how you see yourself, but more importantly, how God sees you that makes the difference in your perspective of yourself. I look forward to your joining me for this new series.

Have a great weekend and thank you for being a blessing to God and to your neighbor.
