

IN-PERSON WORSHIP EXPECTATIONS

- 1) If you are not comfortable in returning to in-person worship please remain at home and continue to connect with us through on-line worship. We are grateful that you have engaged CRUMC through our online platform. We are working to expand our presence and opportunity to reach more people for Christ, as we seek to improve our technology.
- 2) When you come to worship, you are being asked to wear a mask. If you need a mask, we will have a limited number of masks available.
- 3) You will be greeted in the courtyard, without touching others, and then asked to go directly into the sanctuary, where you will be seated by an usher in seats that are spaced out for social distancing purposes.
- 4) We will be taking your temperature with a scanning device.
- 5) We are asking you to maintain your social distancing while in the sanctuary.
- 6) The main sanctuary doors will be the only entry doors that we will be using for entering the sanctuary.
- 7) There will be hand sanitizer available for any and all who may have a need for this option.
- 8) We will not offer any food or coffee at least through July
- 9) When we offer Holy Communion, we will be using the potable communion sets that are self-contained, and we will remain in our seats.
- 10) Children's worship has been suspended through July, or until further notice as things move forward.
